Berlin, N. H. March 17, 1883

Hon. A. P. Thompson
Secretary of State
Concord N. H.

Dr Sir:-

On the eve of Town meeting an unfortunate delay occasioned by missing type by the printers, left there only sufficient time to throw together a few of the totals and principal items of the Town Report for last year. The result is as you see in the accompanying sheet, which I forward in response to your request.

We have not failed within two or three years, even in this habit of printing our reports, and our omission is unfortunately as it has unfortunately resulted

Very Respectfully
S. D. Green
for the Selectmen
